

POWER BLASTER COLD WATER-GAS ENGINE BELT DRIVE

Largo Cold Water Power Blasters are ideal for cleaning encrusted surfaces of grime, grit, paint, and decals, that lower pressure units cannot remove. With pressures up to 5000 psi these Power Blasters do the job quickly and efficiently. Featuring General Pumps and either Vanguard or Honda Engines these machines are ready to work. Safe on most surfaces not affected by water. These units are for professional use. Models 5540 5040, 5050 and 8035 require an auxillary fuel tank which is included.
