

SE SERIES HOT WATER SKIDS

Largo Special Edition Skids are just like our Silverback series except they do not have Float Tanks, High Pressure Detergent or by-pass plumbed back to the pump. They also feature a choice of Pumps. Ready to connect to a mobile tank and go to work. A favorite with the Contract Cleaner who makes his or her living in this 24/7 Cleaning Business. Reliable, Durable and Functional, these units perform day in and day out. Easy to maintain and easy to service. Special Options available for special applications.
