

COLD WATER SKIDS - GAS ENGINE - BELT DRIVE

Largo Cold Water Skid, with pressures up to 5000 psi will clean any surface not affected by water or very high pressure. Blast away rust, grime, loose concrete, scale, and grit. Add a sewer attachment and clean drains, tubes, and pipes. Add a garbage can cleaner station and clean those hard to clean receptacles. Works well with surface cleaners to make concrete walks, pool decks, and warehouse floors squeaky clean.
